CAN YOU CYCLE OR WALK?

Those who live locally in Cardiff may want to travel by bicycle or walk. Research shows us that 52% of car trips made in the Welsh capital are less than 5km. This is a distance that can be comfortably cycled in 20 minutes.

We also know that 28% of Cardiff residents who currently do not cycle would like to do so.

When the roads are congested this makes cycling an even more attractive option as travel by bicycle would be quicker than a car during rush hours or during big events.

ALL TIMINGS SUBJECT TO CHANGE. PLEASE CHECK WITH YOUR TRAVEL PROVIDER BEFORE YOUR JOURNEY.
